1. Introduction

The main goal of this course is to help students improve their communication skills in the context of authentic conversational English. A wide variety of tasks and activities will be included to stimulate interest and to encourage discussion. Students will learn the language structures, vocabulary, and expressions they need in order to communicate effectively, and practice what they have learned in class discussions and conversational activities.

Although students should normally take Conversation I before taking Conversation 2, students with high-intermediate or advanced English ability, or with significant experience in English, may obtain special permission from the instructor to enter Conversation 2 without taking Conversation I. Be advised it is not possible to take Conversation I after taking Conversation 2.
