### 1. Introduction

This course is designed for foreign students who have no or little background of learning Korean. This sixteen-week course intends to help students make rapid progress and accomplish beginning level proficiency of Korean language including Hangeul. Students are also expected to raise their understanding of Korean culture expanding their language experiences in the class.

### 2. Course Objectives

1. Students will be able to recognize basic words and expressions.
2. Students will be able to express their simple ideas using basic level of vocabulary and grammar in speaking and writing.
3. Students will be able to exchange information about familiar topics relating to themselves and their interests .
4. Students will be able to make discourse and communicate with classmates through class activities.
5. Students will be able to understand not only Korean culture but also other nations culture through social language experience during class.
6. By the end of the course, students are expected to be able to carry out basic level of communication skills and to broaden their understanding about Korean culture.

### 3. Class types and activities

1. The course is basically offline class, however, because of the COVID situation, it will be operated in combination with the online of Zoom or video lectures.

2. During the month of September, the classes will be conducted online, either real-time on Zoom or with video recorded lectures.

During the rest of the semester from October, the classes will be delivered offline.

\*When clear guidelines about the way to conduct the classes from the school, it will be noticed to you on Ajou Bb.
