1) COURSE PRESENTATION

Aims:

Draw up a list of competencies and/or skills that the student should have acquired or improved at the end of the course.

You must fill in the field under the format “the student should be able to...” using action verbs such as define, realise, control... *(This description should not take more than ten lines)*

At the end of the course, the student should be able to:

- Identify the specificities of luxury and be aware of the main differences with mass market and fashion, in order to understand the luxury clients' needs
- Communicate effectively in luxury (with clients, media, influencers)
- Make informed business decisions about marketing and sales issues, knowing the main challenges of the luxury industry (sales channels, communication, massification)

Prerequisites:

You must not write courses' codes or names, but identify the preliminary skills as the knowledge or the know-how needed to efficiently follow this course.

Write it out in terms of knowledge and methodologies required to follow this course (this would help students from direct entry to position themselves). *(This description should not take more than five lines)*
