SDU International Summer Program 2015—Course Guide

▪ **About the course:** The ISS 2015 provides “China studies” courses plus a series of lectures, all of which will be taught in English except Mandarin Language course. The lectures will be concentrated on the introduction of China studies from different dimensions, and if you want to get further knowledge about each of the topic, you can choose a whole course regarding the content you feel attracted. Shortly, one China studies course plus three to five lectures are required for your study, and the program will confer 1 or 2 academic credit after you pass the course exam. Please check the detailed Information of each course on the ISS website **after May, 2015.**

▪ **Course selection model:** 1 course + 3 or 5 lectures (Please see the following list)

▪ **Language:** English

▪ **Credit:** 1 or 2 academic credit

▪ **Transcript + Program Certificate** will be conferred by the end of the program.
